

First Aid

First Aid at Work Certificate

Train to be a first aider in the workplace and gain a recognised qualification that is valid for three years (after which a refresher course must be taken).

You will cover all aspects of first aid and the responsibilities and duties of a first aider as laid down by the Health and Safety Executive. No formal qualifications are required. Six weeks notice is required prior to the start of the course. You need to be aged 19 or over.

Special group rates on application.

FAQ Certificate in Basic First Aid

Level 2

NEW

This Level 2 Certificate in Basic First Aid is a vocationally related qualification that provides candidates with an opportunity to study and be assessed in both practical and theoretical aspects of everyday emergency first aid.

- Unit 1 Provide Emergency First Aid to Adults
- Unit 2 Recognition and First Aid treatment of common illness and injuries.

The Level 1 awards are sector specific and the training programme has been developed to allow courses to be tailored to meet the needs of staff working in catering, manufacturing or retail environments.
