

Floristry

City & Guilds 7822 Floristry

Level 2

You will learn and develop basic floristry skills to create items for different occasions. You will work with a wide range of fresh, non-perishable, preserved and artificial materials to produce buttonholes, corsages, posies, presentation bouquets, basket arrangements and funeral tributes. There is also a core unit for design that includes colour, line, texture and pattern. You do not need any formal qualifications or previous experience to take the course. Tutorials will need to be arranged at additional times to those stated below.

City & Guilds 7922 Certificate in Floristry

Level 3

You will develop your floristry knowledge and skills to a professional standard. The course comprises two units, one of which, Design for Craft, will develop your understanding of colour, pattern, form, line and texture in relation to the craft of floristry. The craft unit will include a range of floristry items that can be worn/carried, are free-standing/hanging and are suitable for use as tribute and presentation items. You will also compile a portfolio of botanical/preparation/storage information on a variety of flower/foliage and plants.
